RANCILIO

coffeeing the World

CLASSE 6 S / S COMPACT / S TANK

Versatile and essential

The semi-automatic control of this version makes it an extremely simple machine to use and reliable in all situations.

1 COMPACT The compact model, available with 1 or 2 groups, has the same potential, but in a smaller housing unit, allowing it to be positioned even in restricted spaces.

2 GRID SYSTEM To make cleaning and maintenance easier, Rancilio has equipped all its products with a revolutionary work surface. Support grids come in a scratchproof polymer, with an efficient liquid collection system that keeps the work surface clean and protects cups against unsightly marks left by drops of coffee. The grids can be removed for washing in a dishwasher. Rancilio quality also means attention to details.

6S . TECHNICAL FEATURES

Technical Features

- independent heat exchangers
- electric heating
- incorporated volumetric pump
- boiler pressure gauge
- automatic water level control
- boiler pressure control with pressure stat
- housing in stainless steel
- electronic controls operate on supply voltage

Endowments, accessories

ENDOWMENTS: 1 filter holder for 2 cups per group, 1 filter holder for 1 cup, 2 steam wands, 1 hot water dispenser, coffee tamper, measuring scoop and washing disks, foot extensions.

ACCESSORIES: Water softener, MD dosing grinder, interchangeable sides.

Colors

stainless steel and steel panels painted metallic grey

Technical Data

1 GROUP COMPACT

dimensions (wxdxh) 18.9(14.5)* x 19.6 x 19.2 inches	weight 79 lbs	boiler (lt) 4	Hz 50/60
boiler power 1600	voltage 110		

1 GROUP Tank**

dimensions (wxdxh) 18.9(14.5)* x 19.6 x 19.2 inches	weight 64 lbs	boiler (lt) 4	Hz 50/60
boiler power 1600	voltage 110		

2 GROUPS COMPACT

dimensions (wxdxh) 27.1(22.4)* x 19.6 x 19.2 inches	weight 121 lbs	boiler (lt) 5	Hz 50/60
boiler power 2700 W/3000 W	voltage 120 /230		

2 GROUPS

dimensions (wxdxh) 33.4(28.7)* x 19.6 x 19.2 inches	weight 137 lbs	boiler (lt) 11	Hz 50/60
boiler power 3200 W/6000 W	voltage 120 / 230		

3 GROUPS

dimensions (wxdxh) 42.9(38.1)* x 19.6 x 19.2 inches	weight 207 lbs	boiler (lt) 16	Hz 50/60
boiler power 6000 W	voltage 230		

*Without side extensions, decrease the total width by 5"

**2 lt water tank
